Approval of Minutes from April 2, 2018 – Motion was made by Randy Paul and second by Dwight Hoffman to approve the Planning Commission Minutes of April 2, 2018.

Business from the Floor/Public Comment:

Colleen Boeckelmann was present to ask what was needed to have the approval of the rear yard setback waivers on the east side and the north side of the property to replace a one-bay garage with a three-bay garage and to approve the exemption of the stormwater management application as submitted by the Boeckelmann's. After discussion it was determined that they would be under 1,000 feet of impervious coverage, therefore she would have to complete the Stormwater Management Exemption form, and have it submitted for vote by the Supervisors at their June 11, meeting.
